PENDANT

BULLARD BOLLARDS
Think Bollard Think Bullard

CODE:
BB-GS120-SD

FIXTURE TYPE: _____

PROJECT NAME: _____

E26 IP55

GENERAL INFORMATION:

Globo Suspended is a spherical hanging lamp made of polyethylene, available in a wide range of diameters: Ø30, Ø40, Ø50, Ø60, Ø70, Ø80, Ø120, and Ø200 cm. Offered in Light White, it is designed for outdoor applications.
One of the best-selling families within the Bullard Bollards collection, Globo Suspended stands out for its pure geometric form and strong visual presence. Its essential shape allows designers to create sophisticated and unexpected compositions, especially when different sizes are combined in clustered installations. When illuminated, the sphere emits a soft, diffused glow that enhances architectural spaces with elegance and a contemporary character—making it ideal for residential, hospitality, and large-scale contract environments.

FIXTURE TYPE:

Pendant

LIGHTING:

E26

E26

MATERIAL:

Polyethylene

FINISHING:

Lighting white

IP RATING:

IP55

IP55

APPLIANCE CLASS:

II

MAIN FEATURES:

High visual comfort
Available in a wide range of finishes
Functional and minimalistic design
Shock-resistant construction
