NOTES

GENERAL INFORMATION:

The Aurora ceiling/wall light by Lola Lighting is a modern decorative fixture distinguished by its dynamic, layered design crafted from methylcrylate, offering both durability and a striking visual effect. Available in sleek Black or White finishes, it operates on 110–277V and uses a single E26 bulb (max 12W).
With an IP20 rating and Appliance Class I, it is designed for stylish indoor applications.
Aurora is offered in two sizes: small (L: 24.42" × W: 23.62" × H:8.07") and large (L: 30.31" × W: 28.35" × H: 11.81"), making it adaptable for different spaces. Its sculptural form provides a bold yet elegant centerpiece, blending artistic design with practical illumination.
