GENERAL INFORMATION:

A bold expression of sculptural elegance, the ALEO chandelier merges classic grandeur with contemporary design. Featuring a constellation of disc-shaped diffusers arranged in a striking radial structure, ALEO radiates both ambient warmth and artistic sophistication. The refined metal framework and naturalistic diffusers create a harmonious balance between architectural symmetry and organic charm. Ideal for dining rooms, lounges, or entry halls, ALEO becomes the centerpiece of any interior it graces—delivering layered light and visual drama from every angle.
