GENERAL INFORMATION:

The Charlotte floor lamp by Lola Lighting is a refined, modern fixture designed to add elegance and ambient illumination to contemporary interiors. Crafted from Cristalflex® and Lentiflex®, it showcases a textured cylindrical form that beautifully diffuses light while creating a sophisticated visual presence. Operating on 110–277V, the lamp uses two E26 bulbs (max 12W each), providing versatile and efficient lighting. With an IP20 rating and Appliance Class I, it is suitable for indoor use and comes in a clean White finish, making it a sleek and stylish addition to modern residential or commercial environments.
